

James Hargest College

What We Enjoyed The Most

Designing our own grass kart and finally seeing it together today

What We Enjoyed The Least

- Having to cut components off the frame due to a former members selfishness

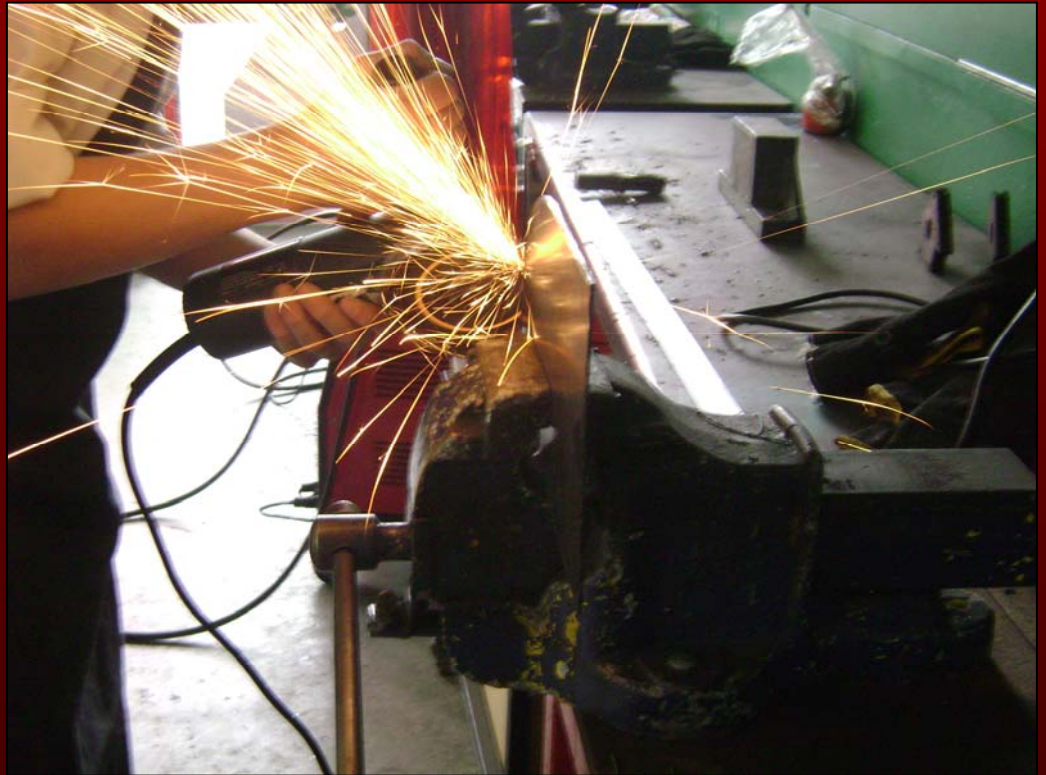

What We Have We Learned

What Would We Do Differently

- Plan time more efficiently
- Check Twice, Cut Once

Single Piece Of Best Advice For Other Teams Would Be...

- Make sure each member of the team is on the same page and are organised for lessons ahead

The Funniest Thing To Happen Has Been...

- Jono... YOU IDIOT!!!

Special Thanks To...

- All Wheel Drive Spares LTD and
- N.P. Stewart LTD
For the payment of the sandblasting/powder coating
- Southern Insulation
For the sandblasting and powder coating at a greatly reduced price

Special Thanks To...

- James Foster
- Jeremy Vermeulen
For Spending their own time to help get kart finished on time
- And Of Course Mr. Burrows and James Hargest College For the additional funding
