

Grass Kart Trialling/Testing Policy

Whenever the Grass Kart is to be taken outside of the workshop for driving the following conditions **MUST** be met.

1. A Teacher must be present to supervise the driving.
2. The Kart can only be run on the school playing fields within the boundaries set by the Teacher.
3. Transport to and from the fields must be without engine power i.e. pushed
4. Kart must have the following in serviceable order:
 - Correct steering set up
 - Brakes fitted and working
 - Kill switch accessible by driver
 - Engine bolted down
 - Floor pan in place
 - Chain guard in place
 - Seat bolted down
5. Driver is to wear an approved helmet.
6. A fire extinguisher is to be taken along and kept with the Teacher

I have read and understand that I am to adhere to these conditions when taking the Grass Kart out for Testing or Trialling.
